A fabulous log home on a wooded lot at Lake Redstone with 54' of shoreline and 1.25 acres to explore. Rock outcroppings & mature trees add to the "Northwoods" feel! Inside you'll find nothing but the warmth that only a log home can offer. A free-flowing main level floor plan offers a super kitchen & dining area and a two story living room with a beautiful stone fireplace and a wall of windows lake-side. Lofted master bedroom, bath & walk-in closet. The finished walk-out lower level is where great gatherings happen with an inviting bar & conversation area complete with a gas freestanding stove. Relax in the family room or step out onto the sprawling patio and tell stories by the campfire. Easy access to your shoreline via the hillclimber tram! Seconds to the main body of the lake. 3 Car garage too! You'll love spending time here!
