This uniquely styled, 4-bedroom, 3-bathroom home is situated on a large peninsula, offering breathtaking views with over 250 feet of shoreline and 1.19 acres on Lake Redstone. From the moment you step inside, you'll feel as though you're floating on the water, as the interior design of this home creates a seamless connection between the indoors and the lake, giving you the sensation of actually being on the water. The abundant windows eliminate the sight of land, immersing you in a world of endless water vistas. The well-planned kitchen is complete with stainless appliances & ample cabinet & counter space. The combination living and dining area is thoughtfully designed with a mini wet bar/ buffet area, making it perfect for entertaining guests. A beautiful stone fireplace adds warmth and charm to the home, creating a welcoming ambiance for those cooler evenings. Two of the four bedrooms come with their own bath access, providing added convenience and privacy for both residents and guests. With plenty of living and entertaining space both inside & out, this home ensures that you'll always have room to host gatherings and create lasting memories.
