Nothing but great living is found in this 4 bedroom home resting on over 3 acres at Lake Redstone. Beautiful lake views abound and offer the quiet tranquility we all seek. Well planned kitchen with plenty of cabinets & a pretty dining area with a nice big picture window to take in the views. Spacious living & family rooms both with fireplaces! Relax in the solarium or step out onto the deck and let the world go by. Upper level master suite features privacy galore. Outside you'll find plenty of places to run & play or get your green thumb in gear and work in the gardens. Deeded Lake Access too!
