Main level bedroom and a clawfoot tub in the bath/laundry combo? Yes, please! Upstairs has three roomy bedrooms, another full bath, AND a walk-up attic just waiting to become your next favorite hangout spot. The yard? Huge. Garden, play, relax—you've got the space. And check out the 2-story carriage house-style garage—perfect for a workshop, studio, or hobby space. All this, and you can walk to everything: parks, pool, shops, restaurants.
