This one of a kind 3BR/3.5BA waterfront home at Lake Redstone has been COMPLETELY remodeled/revamped/redone and any other RE word you can think of! New interior & exterior along with mechanicals, septic & more. Open living-dining-kitchen with stunning views of the lake along with access to the composite lakefront deck. The cook will fall in love with the well appointed kitchen w/custom Amish cabinetry galore. Wake up every day to views of beautiful Lake Redstone from the master bedroom. Outstanding master bath too! Walk-out lower level boasts a family-recreation space that's ready for a wet bar to be installed if you desire. All good sized bedrooms with large walk-in closets. Exceptional lakefront patio means you will never run out of outdoor living space. LEVEL location on the main body of the lake w/112' of rip-rapped shoreline. Far too many features to list here....you have to see it in person to appreciate the quality & location.
